1. Carefully remove all parts from the box. Place on a clean, soft surface.

2. Remove mounting plate (A) from fixture (D) by removing set screws (C) using provided wrench (E).

3. Install mounting plate (A) to the junction box and secure with the mounting screws (B).

4. Wrap fixture ground wire (bare copper) around the green grounding screw (see diagram 1). Tighten. Continue fixture ground wire and connect to supply ground wire (usually green or bare copper) using wire nut (I).

   **NOTE:** It is imperative that the fixture is grounded.

5. Connect fixture neutral wire (white) to the supply neutral wire (usually white) using wire nut (I).

6. Connect fixture hot wire (black) to the supply hot wire (usually black) using wire nut (I).

   **CAUTION:** Do not reverse the hot and neutral connections.

7. Make sure all wire connections are tight, then carefully tuck into the junction box.

8. Install fixture base (D) to mounting plate (A) and secure with set screws (C) using provided wrench (E).
ASSEMBLY INSTRUCTIONS

French Cuff Sconce
Item # BBL 2035

NOTICE:
This light fixture should be installed in accordance with all applicable, local installation codes, and by a person familiar with the construction and operation of it, as well as the hazards involved. Inspect item and contents carefully. If any damage or defect is found, do not install. Retain all packaging material until installation is complete and approved.

9. Install shade (K) to fixture body and secure with check ring (F).

   NOTE: If shade has additional packaging, carefully cut off from interior of shade to avoid damages.

10. Remove socket ring (H) from socket (G), install harp (J) to socket (G) and secure with socket ring (H).

11. Install light bulb into the socket.

12. Remove finial (M) from harp (J), install diffuser (L) to the nipple of harp (J) and secure with finial (M).

Care Instructions: Clean only with a soft dry cloth or feather duster. Do not use abrasive or chemical agents.
